

donors & sponsors

The Grand Teton Music Festival cannot thank our generous, loyal donors enough. More than 650 individuals and institutions provide financial support for GTMF's performances, education programs and community events. Gifts and grants from foundations, corporations and individual donors like you account for more than 68 percent of the Festival's annual budget. If you give, thank you. Your support is instrumental to every note you hear in Walk Festival Hall and out in the Jackson Hole community. If you would like to give or you are interested in learning more about the benefits of giving, please contact Tim Dodge, Director of Development, at 307.732.9952 or tim@gtmf.org.

The following donations were received between May 10, 2023 and May 23, 2024.
