[Chorus]

This land is your land, and this land is my land  
From California, to the New York Island  
From the Redwood Forest, to the Gulf stream waters,  
this land was made for you and me

[Verse 1]

As I was walking a ribbon of highway  
I saw above me an endless skyway  
I saw below me a golden valley  
This land was made for you and me

[Chorus]

[Verse 2]

I've roamed and rambled and I've followed my footsteps  
To the sparkling sands of her diamond deserts  
And all around me a voice was sounding  
This land was made for you and me

[Chorus]
